1 Question 3

The data shows the top 100 kpop music in iTunes. It interests me because I like listening music. it helps me follow the newest music. it's interesting, can help me organize informantion for webpage quickly. but it is hard for me, at the begining, i could not figure out how to do. I used data science class note: Kevin's tutorial.

2 Question 4

i searched coronavirus, because i from china. and i worry the enviroment of norman. i hope everyone could far away from coronavirus. there are 4095 results.The packages that I use include twitteR.
